1. INTRODUCTION

The club of KWC Kampen are proud to welcome you to the BMX-circuit of KWC Kampen in the Netherlands, after the 2018 UEC BMX European Championship.

In 2015 we started cycling at this location and in recent years, many things have improved and changed. We are active in organizing events for national and international competitions. Also we have a good partnership and collaboration with Papendal to help with European Cup, World Cup and World Championship last summer. Unfortunately only the Junior and Elite classes were able to ride. Therefore KWC Kampen is proudly to announce that we are able to organize these two European Rounds in Kampen, the Netherlands in June.

2. TRACK DETAILS

The BMX-circuit KWC Kampen features an 8mt SX-starting hill for Championship classes and a 5mt-starting hill for Challenge classes.

The SX-track is approximately 395mt long, while the regular track is approximately 375mt.

3. THE CITY OF KAMPEN

Kampen: the most beautiful cityscapes in the Netherlands

Kampen has already inspired many painters. The view over the IJssel on the harbor, city quay and the many historic buildings is so special that Kampen enjoys the name of 'one of the most beautiful cityscapes in the Netherlands'. That alone is reason enough to plan a day in Kampen.

Hanseatic city of Kampen

The popularity of Kampen among day trippers indicates that the special Hanseatic city still has a regional function. In the fourteenth and the first half of the fifteenth century, this strategically located place at the mouth of the IJssel and therefore also on the Zuiderzee was one of the most powerful cities in northwestern Europe.

The city mainly acquired its name with the Ommelandvaart: the trip around Denmark to the Baltic Sea. Take a walking tour of the city with a guide to learn all about its rich history.

Museums & Culture in Kampen

Not only the ancient history of the city makes it worth visiting Kampen, there is also much to experience in the Hanseatic city today. Get to know the craft culture of Kampen and stroll along the nicest craft shops with the 'Ambachtelijke' Route. Do you love museums and art? Then Kampen has a lot to offer you with, for example, the City Archives, the Municipal Museum, the Huys der Kunsten and the many art exhibitions. The shoppers among us will also find excellent options in Kampen with its many shops, large and small.

In the area

In and around Kampen you can also enjoy a lovely walk through the historic streets and alleys, the old city park and along the water of the IJssel. Cycling through the beautiful Mastenbroek polder landscape and tasting local regional products is the perfect combination.
